

Listing of the Claims

This listing of the claims replaces all prior versions and listings of claims in the application.

Claim 1. (Presently Amended) A ~~household, liquid insecticidal formulation composition~~ suitable for ~~use in~~ controlling general household pests ~~selected from the group consisting of German cockroaches, house flies, red imported fire ants, and bed bugs comprising; an insecticide mixture of i) bifenthrin and ii) acetamiprid-; and an aqueous medium.~~

Claim 2. (Presently Amended) A ~~composition formulation~~ according to claim 1, wherein the amount of ~~the~~ bifenthrin is equal to from 0.001% by weight to 0.12% by weight ~~of the formulation~~ and the amount of ~~the~~ acetamiprid is equal to from 0.001% by weight to 0.20% by weight ~~of the formulation~~.

Claim 3. (Presently Amended) A method for controlling general household pests comprising applying an insecticidally effective amount of a ~~composition formulation~~ of claim 1 to a locus where general household pest control is needed or expected to be needed.

Claim 4. (Presently Amended) A method for controlling general household pests comprising applying an insecticidally effective amount of a ~~composition formulation~~ of claim 2 to a locus where general household pest control is needed or expected to be needed.

Claim 5. (Cancelled)

Claim 6. (Cancelled)

Claim 7. (Previously Presented) The method according to claim 3, wherein said locus is selected from a general household pest-infested structure, a structure that is expected to be general household pest-infested, or a location adjacent to said structures.

Claim 8. (Previously Presented) The method according to claim 4, wherein said locus is selected from a general household pest-infested structure, a structure that is expected to be general household pest-infested, or a location adjacent to said structures.

Claim 9. (New) The formulation according to claim 1, wherein the amount of the bifenthrin is equal to from 0.001% by weight to 0.06% by weight bifentrin and the amount of acetamiprid is equal to from 0.005% by weight to 0.10% by weight, and the general household pests are German cockroaches.

Claim 10. (New) The formulation according to claim 1, wherein the amount of the bifenthrin is equal to from 0.0575% by weight to 0.0625% by weight bifentrin and the amount of acetamiprid is equal to from 0.025% by weight to 0.05% by weight, and the general household pests are Red Imported Fire Ants.

Claim 11. (New) The formulation according to claim 1, wherein the amount of the bifenthrin is equal to from 0.001% by weight to 0.005% by weight bifentrin and the amount of acetamiprid is equal to from 0.01% by weight to 0.02% by weight, and the general household pests are house flies.

Claim 12. (New) The formulation according to claim 1, wherein the amount of the bifenthrin is equal to from 0.0575% by weight to 0.0625% by weight bifentrin and the amount of acetamiprid is equal to from 0.025% by weight to 0.05% by weight, and the general household pests are bed bugs.
